Baby Photos:
Please email your digital photo (See photo submission instructions above). Please have it cropped as you prefer prior to sending the photo. If you do not have a digital, please scan your photo as a .jpg, or you can take a photo with your cell phone and email this .jpg. Be sure it is a clear photo.

Senior Portraits:
You are welcome to use the school photographer (Lifetouch) or a photographer of your choice for your senior portrait.
   Image Standards:
   1. Vertical shots only (portrait mode)
   2. Should be 300 dpi, 5x7 in size, digital only
   2. Please have your photo cropped as you like prior to submission
   3. Head/Shoulder shots preferred.
   4. Appropriate dress as defined by the BRRHS dress code policy
Using Lifetouch:
You should be receiving information in the mail from Lifetouch regarding appointment times for senior sessions.
Please follow their directions on selecting your pose for the yearbook submission and please be aware of the deadline for pose selection (it is earlier than our dates). These photos will be sent to the yearbook club automatically after you choose this pose. If you do not select a photo then Lifetouch will select one for you for use in the yearbook.
Other photographers
Please give them the standards above. Please have them submit to bryearbook@bridge-rayn.org. The photographer should follow submission guidelines.

Senior Blurbs
All seniors will be using their BR google accounts to submit a "blurb". There are four items that are permitted as part of the blurb: Nickname, school activities, a cited quote, a thank you. Anything that falls beyond these 4 items will not be included in the book. Soon, there will be a google link available on the school website (under students) that will allow you to enter your blurb. **Remember:** The Internet is full of misinformation, and Google is often not your friend. To avoid inaccurate or incorrectly-attributed quotes, consult a reliable fact-checking source like quoteinvestigator.com

Please be sure your google account is functional as you will not only need this for your blurb, you will need this to vote on class favorites and superlatives.

Reviewing Portrait and Blurb: Seniors will have the opportunity to verify their photo, their blurb, and the spelling of their name. Seniors will have about two weeks to verify the information during lunch or you can see Mrs. Kendall or Ms. Horne to verify. It is very important that each student take the time to review their information. Once the pages are submitted we cannot replace any photo or blurb. If you do not submit a portrait, we will use your id photo in the book. Senior blurbs are optional, some students choose to leave their blurb blank
